

Bradley Caine Clinic March 30, 2025

Hosted by the Blue & Gray Circuit
at Above and Beyond Farm

13228 Greencastle Pike Hagerstown MD 21740

Join us for a fantastic day of learning! Bradley Caine was originally based out of her family's Winter Place Farm in Salisbury, MD. There, she studied under and was coached by some of the industry's greatest horsemen and trainers such as Ronnie Beard, Nelson Pessoa, and George Morris. She and the team at Winter Place Farm showed many of the country's top hunters and jumpers to wins and championships at all of the major horse shows in the nation such as Devon, Washington International, and Harrisburg as well as many national championships. Her success ranged from winning in the pony hunter division on her pony, Checkmate, to producing Olympic caliber horses such as "Jet Run" and "Southside" (ridden by Robert Ridland in the Montreal Olympics).

Bradley now devotes her time to traveling and giving clinics/lessons all over the East Coast. She still enjoys helping aspiring riders to better themselves, both at home and at horse shows. She is still coaching both at local and rated shows, traveling to Florida for the show circuit every year, and also a 'r' Hunter judge and Hunt Seat Equitation judge with USEF.

Clinic section numbers will be kept small (max 4 riders) to allow everyone to have a good experience. We will offer sessions for the following: Flat work (w/t/c), Cross rails (max 18"), 2', and 2'6".

We will offer multiple sessions at each height as needed. There is ample space for auditors and riders waiting for their slots to watch. Please bring your own chairs! Coffee, water, and some light snacks will be provided. Participants are responsible for their own lunch.

The cost of the clinic is as follows:

Early entry discount: Riders \$100.00 Auditors \$20.00

After March 5: Riders \$120.00 Auditors \$25.00

All riders may have one free spot for an auditor. Please fill out the enclosed form and submit with payment. We will accept clinic entries until March 15, or until all spots are filled. Watch for more information and updates!

Bradley Caine Clinic Registration Form

Name _____ Age _____

Address _____

City _____ State _____

Zip _____ Phone # _____

E-Mail _____

Preferred time : _____ Morning _____ Afternoon

Mark session height:

_____ Flat work (w/t/c) _____ 2'
